**Welcome**

**Opening Prayer**

**Vine of Life, we stay comforted, wrapped in Your leaves and branches of love and care. We find shelter and sustenance in the shade of your strength. You nourish us and we grow and develop into mature beings. Help us to be more than sour grapes or unripe olives when we look at the world around us; may we look past the bitter divisions that are like the weeds in Your vineyard. Trim us and shape us so that we may bear fruits available for all people. Amen.**
